THE REPORT welcomes manuscripts of OHIO material for proposed publication. All manuscripts should be sent to:

THE EDITOR, 4649 YARMOUTH LANE, YOUNGSTOWN, OH 44512

The manuscript should be typed on standard-sized paper and have the author's name on each page; the pages should be numbered. A cover letter, giving permission from the author to publish the material in THE REPORT, should accompany the manuscript.

When sending photocopies of original old manuscripts, such as handwritten Bible records, please send a typed transcript for us to work from; it is usually much clearer on the original in your possession than on a photocopy.

The types of records requested for publication include Bible records, Ohio county court records (marriages, deed abstracts, naturalizations, will abstracts or other), Ohio cemetery inscriptions (not alphabetized), "How-To" articles (the use of special collections, holdings of a particular repository, etc.), abstracts from Ohio newspapers, brief family genealogies with Ohio connections (fully documented) and other material of an unusual but useful nature. The Editor makes the final decision on material to be published. Following publication, all original material is placed in the Ohio Genealogical Society Library in Mansfield. Every effort is made to present authentic material, but the Ohio Genealogical Society cannot be responsible for the accuracy or the publishing rights of the material furnished by contributors. All material is published with the permission of the contributor.

THE OHIO GENEALOGICAL SOCIETY is a non-profit, federally tax-exempt, State-Chartered organization. Individuals, libraries or societies may apply for membership. Annual dues are $19.00 for individuals and $25.00 for joint members at the same address, for the calendar year. Life membership is $300, and joint life membership is $350. All members receive the quarterly journal, THE REPORT, and the monthly NEWSLETTER with membership.

MAILING: All issues are mailed directly from Mansfield, and any problems you may experience with delivery, or changes of address, must be directed to the Ohio Genealogical Society in Mansfield, not to the Editor.

ANCESTOR CHARTS
If you wish to have your 5-generation ancestor chart considered for publication, send a copy to Mrs. Luetta Coates, 12477 U. S. Route 422, Southington, OH 44470. BOOK NOTICE POLICY
Books which are currently in-print and available for sale will be noted in THE REPORT upon receipt of a gratis copy donated to the OGS Library. It is our policy to publish brief notices, not critical reviews. All books must be sent DIRECTLY to OGS Library, with complete ordering instructions and price. MYRTLE HILL CEMETERY SEXTON RECORDS
VALLEY CITY, MEDINA COUNTY

Alice Heath Baker*

My great great grandfather, Albert Gallatin Heath, was born in Massachusetts, probably Tyringham, on 2 Aug 1816. With his parents, Edward Heath & Rebecca Rowel Heath, he came to Marysville, now called Valley City (also Hardscrabble), Liverpool Township, Medina County, Ohio, in 1824. In 1861 he became the sexton of the Myrtle Hill Cemetery. The following is copied from his record book for the period 1861-1900. He seems to have had his own spelling rules, as "Coon Rod" is probably Conrad, and "a chilard man" is probably a colored man. The original book is in the possession of the compiler.

Further information surfaced concerning "a chilard man" as found in the Medina County Gazette, Fri 17 May 1907, p5. "Coroner H.E.Hard was in Medina Tuesday to file papers in an inquest on the body of a colored man found May 1 on the B & O railroad track a few rods south of the Beebetown station. The body was run over by the south-bound local on the morning of May 1, and the train was stopped and the mangled remains carried on the train to Liverpool, where Dr. Hard first viewed them on the same day. The train crew swore that the body was cold when they picked it up, showing that death had occurred before he had been run over by the local. The dead man's name could not be found on his person, and if he had died by malicious violence the disfigurement caused by the train had effectually hidden all evidence of it. The dead man was about 40 years old, probably, and of a class generally known as "floaters." He was buried in Liverpool by the local undertaker on May 4 at the county's expense. A brass watch and chain, 58 cents in coin, two brass checks, a grocer's pass book, a needle-case and a spool of thread found on the person of the dead man were left with the Probate Court in Medina."

OHIO ANTI-SLAVERY SOCIETY

Margaret Dieringer*

This material was abstracted from a group of pamphlets bound for W.C.Holliday about 1840. The first four pamphlets are the records of the first four anniversary meetings of the Society.

FIRST ANNIVERSARY MEETING
The Ohio Anti-Slavery Society held its first Anniversary near Granville, Licking County, in the barn of Ashley Bancroft, on April 27 and 28, 1836. The meeting was called to order by James Stewart of Bloomingburg, Vice President. Opened with prayer by James H. Dickey of Greenfield. Archabald Myers of Brunswick and Abram Brooks of Marlboro were chosen secretaries.

From the secretary's report read at this meeting we learn that the state society was organized in April 1835.

The delegates to this meeting were arranged alphabetically by the towns from which they came and the second page is missing, so any one from a town after Madison is not included in the list of delegates.

SECOND ANNIVERSARY MEETING
Was held April 27-28, 1837 at Mount Pleasant, Jefferson County, in the Friends' Meeting House and was called to order by A.A.Guthrie. J.G.Birney was appointed Chairman pro-tem., George Whipple, A.A.Guthrie, and Goodcil Buckingham, secretaries.

THIRD ANNIVERSARY MEETING
was held in Granville, Licking County, commencing Wednesday May 30, 1838. The delegates convened in the Presbyterian Church. This year they did not publish a list of delegates. The meeting was called to order by Robert Stewart of Ross County at 10 o'clock A.M. Rev. Wm. Beecker made a few remarks, followed by prayer. Hon. Leicester King of Trumbull County, President of the Society, took the chair.

FOURTH ANNIVERSARY MEETING
Held in Putnam, Muskingum County, May 29th, 1839. The delegates assembled in the Presbyterian Church. Rev. C.G.Finney took the chair and opened the meeting with prayer.

BIBLE RECORDS

(It might be of interest to note that Francis Ashton Sr. made a trip to America in 1831, to survey the situation in Ohio, before bringing his family over. At this time, he visited his brother, William, who resided near Welton, somewhere between Norwalk and Mansfield, Ohio. He then returned to England to get his family, and on the return voyage in 1832, he brought with him a large rose-colored Scotch Peterhead granite cemetery monument. This monument was originally placed in the Franklin Church Cemetery in Richland Co., Ohio. After Francis Ashton settled permanently in Lima, Ohio, he was involved in the establishment of Woodlawn Cemetery, and apparently had his pick of a choice lot near the office and chapel. He then arranged to have the bodies of the dead relatives removed to Woodlawn Cemetery, and also moved the granite monument. The large plot in Sec.14 is a mound, and every grave there has a rose granite headstone, which by mutual unwritten law/consent are made of the same Scottish granite as the large monument. This granite must, of course, be ordered from Scotland when needed.)

A HAPPY ENDING

Carol Willsey Bell, C.G.*

On April 19, 1988, a California woman wrote to the Warren--Trumbull County Public Library hoping to locate some information about her father. She had been born in 1925 in the Florence Crittenden Home in Youngstown, to unwed parents, and is now interested in locating information about her father, who was named on her birth certificate.

Some information was found in the city directories, indicating that he had probably been married at least twice after her birth. Court records confirmed the fact, and named his parents. He appeared consistently in the city directories until 1949, when he disappeared from the Warren area. Having no clue to his later whereabouts, the search was "on hold."

In June, 1988, a man from Michigan came into the Local History & Genealogy Department to work on his families, who were from the Warren area. In conversation, it was revealed that one of his surnames was the same family being searched for the California woman. When asked if he knew anything about the man in question, he stated, "He is my first cousin." After determining that we were indeed talking about the same family, he was told about the California woman and her search for information about her father. He agreed to share his information with her, and to put her in contact with her living relatives, most of whom live in the Sharon, Pennsylvania, area, just across the state line from Warren.

It turned out that the father is now deceased, and is buried in Sharon. He left many descendants who are half-brothers and sisters of the California woman. On July 7, 1988, she arrived in Sharon, and sponsored a dinner for all of her newly-found kin, and called this writer with an invitation to attend. She said that she had visited her father's gravesite that afternoon, and discovered that he has no headstone. This is to be her first order of business, to see that one is placed on his grave. She is thrilled beyond words to have found her family, and they are just as pleased to have found her. This visit is only the first of many more to come, truly a happy ending to her search.

1803 LETTERS AT CHILLICOTHE POST OFFICE

Jeann A. Woodford*

Two lists of letters remaining at the post office at Chillicothe were published in the Scioto Gazette on the dates 8 Jan 1803 (+) and 9 April 1803 (=). The two lists have been alphabetized and combined for this article. Items such as this one may be important in helping to establish early residence in Ohio...but it should be remembered that in the case of "letter lists" the addressee may not be a resident of Ohio, but may be passing through, and might have asked that mail be held for him at the post office. N.W.T. stands for North West Territory.

CEMETERY LOCATION

Refer to THE REPORT 25:4:204 (1985) concerning "Pike County Cemeteries" for Sinking Springs Cemetery, "located in northwestern Pike County, Ohio." I believe this cemetery is the one described below, which would place it in HIGHLAND County:

"The tombstones of the pioneer Thomas Wilson tell a tragic tale...They were buried at First Burial Ground in Sinking Spring, now Gov.Byrd Memorial Cemetery." (Elsie Johnson Ayres, Highland Pioneer Sketches and Family Genealogies.)

Thomas Wilson was my great uncle. His wife died at 39 after bearing 11 children, most of whom died young. He was a nephew of Allen Gulliford, one of the founders of Sinking Spring, whose name was copied as "Guilford" by the early copiers. When I visited this cemetery in 1977, it was in the village of Sinking Spring, and I had the distinct impression it was west of highway 41, which would put it in Highland County across from the southwestern part of Pike County.

ADDITIONS AND CORRECTIONS

In the article MICHAEL SHAFER OF PENNSYLVANIA AND KNOX COUNTY OHIO (Summer 1988, page 73) some footnotes are numbered incorrectly in the text on pages 75 and 76. Number 191 should be changed to 190, and each number thereafter to 265 should be reduced by one (265 becomes 264). Number 265 should be inserted after the name, Emma. From there on, the footnote numbers are correct. The numbering in the tabulation of footnote references at the end of the text is also correct.

There is a typographical error for descendant number 74, which is Martha (not Mary) Ellen McMahan.

FIRST FAMILIES OF OHIO ROSTER, 1987-1988

We regret this omission of one of Mrs. Stewart's 31 proven ancestors.

DITTO MAY NOT MEAN DITTO!!!

In the article, 1812 Subscription List, Lancaster, Fairfield County, on page 83 of the Summer 1988 issue, 3rd line from bottom, the name of JACOB DITTO appears with the notation that it may mean Jacob RUSH, dittoed from the name above which was Michael Rush.

A letter from Patricia C. Koch, 2001 Lakewood Ave., Lima OH 45805, points out that the SURNAME Ditto & Dittoe was found frequently in Fairfield and Perry Counties, Ohio, and is still found there. She included several references to Jacob Ditto(e) appearing in the HISTORY OF FAIRFIELD AND PERRY COUNTIES, OHIO (1883) showing that Jacob Dittoe was there as early as 1808.

Ms. Koch also points out that clerks frequently used "do" to mean ditto, or the same as the word above, and that this has caused great confusion in researching the SURNAME Ditto.

THE KIRBYS OF WARREN COUNTY, OHIO

Wilbur Linder*

1. RICHARD KIRBY SR. was born in England about 1614. His immigration record has not been found. The first mention states that he had a son RICHARD KIRBY JR., born 1632 in Lynn, Mass. On 11 Sept 1635, JOHN KIRBY of Powington, Warwickshire, England, aged 12, came to America in the care of William WOOD, to be conveyed to his brother RICHARD KIRBY of Lynn, Mass. In 1637 together with William WOOD, George ALLEN and others, RICHARD KIRBY moved to Cape Cod where they founded the town of Sandwich. While he was living there, he & his son RICHARD JR. were fined several times for attending Quaker meetings. In 1660 RICHARD SR. and most of his family moved to Dartmouth Mass where he died about 1688. RICHARD SR. and his wife JANE had 5 children, the youngest, RECOMPENSE, being our ancestor.

2. RECOMPENSE KIRBY, born c1647 in Sandwich, Mass., married REBECCA ALLEN who was born 2 Aug 1668 in Sandwich, daughter of FRANCIS ALLEN AND MARY BARLOW. FRANCIS ALLEN was the son of GEORGE ALLEN who had arrived in Lynn, Mass. from England in 1635 and was one of the founders of Sandwich. They were all Quakers. RECOMPENSE and REBECCA KIRBY were parents of 4 children, all born in Dartmouth, Mass. In 1698 he and his family moved to Burlington Co., NJ. In his will dated 4 Sep 1712 and probated 6 Aug 1720, he disposed of 500 acres of land. His 3rd child RICHARD KIRBY is our ancestor.

3. RICHARD KIRBY, born c1692 in Dartmouth, Mass, married ANNE CHESHIRE, born c1700 in Burlington Co NJ, daughter of JOHN CHESHIRE, born in England, and ANN WHITE. RICHARD & ANNE KIRBY were parents of 8 children, all born in Burlington Co NJ. RICHARD made his will 14 Oct 1733 and it was proved 5 Mar 1740. In his will he named his wife and 6 children (his two youngest were born after 1733) and he disposed of 450 acres of land. Their 6th child, JOSEPH KIRBY, is our line.

4. JOSEPH KIRBY, born in Oct 1731 in Burlington Co NJ, married c1754 to ANNE EMLEY, born 1732 in Burlington Co, daughter of WILLIAM & RUTH EMLEY, another prominent early New England Quaker family. JOSEPH AND ANNE KIRBY were parents of 11 children. JOSEPH died intestate 11 May 1796 in Burlington County. Two of his sons, JOSEPH & RICHARD, received word of their father's death while they were in Cincinnati, Ohio, on their way to Warren County, Ohio. JOSEPH returned to New Jersey to help settle the estate and RICHARD went on to Warren County to find land for both. JOSEPH was the 4th child, and RICHARD was the 5th child of JOSEPH AND ANNE KIRBY. They are both of our line.

5. JOSEPH KIRBY, born 3 Feb 1760 in Burlington Co NJ, married 5 Mar 1783 SARAH CARTER, born 20 Sep 1764 in Burlington Co NJ, daughter of JOSEPH CARTER & MARY GASTON, who also came to Warren Co. at about this time. JOSEPH & SARAH were parents of 9 children, two of them born in NJ, 3 born in Mifflin Co PA (evidently they stopped in Mifflin Co. for several years before moving on to Ohio) and the last 4 born in Warren Co., Ohio. JOSEPH KIRBY died 22 June 1832 and SARAH died 15 Feb 1847 in Warren County, and borh are buried in Kirby Cemetery, Lebanon, Ohio. Most of their children stayed in Warren Count. Their 4th child, JAMES KIRBY, is our line.

6. JAMES KIRBY, born 18 Jan 1791 in Mifflin Co PA, married 6 Feb 1810 to SARAH PHARES, born Nov 1792 in Burlington Co NJ, the only child of ROBERT PHARES & MARY WILLIS. JAMES & SARAH KIRBY were the parents of 11 children, all born in Warren Co., Ohio. Probably by this time the KIRBY family were no longer Quakers. JAMES KIRBY died 16 Jan 1851 and SARAH died 19 Jan 1853. Both are buried in the Kirby Cemetery, Lebanon. Some of their children moved to Dewitt Co., ILL about 1848. Their 7th child, JOHN CARTER KIRBY, is our line.

7. JOHN CARTER KIRBY, born 11 Sep 1824 in Warren Co OH, married (1) 25 Dec 1846, Warren Co., to CAROLINE BEAL, born 12 May 1827, Warren Co., daughter of NOAH BEAL & REBECCA KIRBY (she his cousin). NOAH BEAL was born 12 May 1804 in Caroline Co MD, the son of THOMAS BEEL & HANNAH SWIFT (who came to Warren Co from Maryland between 1815 and 1820). THOMAS BEEL was born 1775 in Maryland and died in Warren Co OH 31 July 1832, buried Dog Street Cemetery, Lebanon. REBECCA KIRBY was daughter of RICHARD KIRBY & MARY (name unknown). ELIZA JANE KIRBY, 2nd child of JOHN C. & CAROLINE KIRBY, is our ancestor.

5. RICHARD KIRBY, son of JOSEPH KIRBY & ANNE EMLEY, and a brother of JOSEPH KIRBY who married SARAH CARTER, who had accompanied them to Warren Co., Ohio. RICHARD was born 26 Sep 1764 in Burlington Co NJ, married c1791 probably in Mifflin Co PA to Mary _____, who was born 4 Dec 1757. They were parents of 4 children, all of whom stayed in Warren County. RICHARD KIRBY died 29 Mar 1814. (His stone in Kirby Cemetery reads: RICHARD KIRBY died 29 Mar 1814 aged 56y 6m 2d, but this age is not correct; it should read 62y 6m 2d). MARY died 1 Jan 1833 and both are buried at Kirby Cemetery, Lebanon. REBECCA KIRBY was their 2nd child.

6. REBECCA KIRBY, b 1796 (Ohio census records give Ohio), married (1) 1 Jan 1812 to WILLIAM EVANS and had 4 children. WILLIAM EVANS died 26 July 1825 and is buried at Kirby Cemetery. On 14 Sep 1826 REBECCA married (2) NOAH BEAL and they had 7 children, CAROLINE being their oldest child. NOAH BEAL was killed by a run-away colt 2 Nov 1858. REBECCA died 18 Apr 1852, and both are buried in Kirby Cemetery.

7. CAROLINE BEAL, born 12 May 1827 in Warren Co OH, married 25 Dec 1846 to JOHN CARTER KIRBY (her cousin), born 11 Sep 1824. They were later divorced and JOHN married (2) ANNE CLYMER and they moved to Dewitt Co., Ill. CAROLINE did not remarry. JOHN C. KIRBY died 16 Mar 1854 in Dewitt Co., and is buried in the McGraw Cemetery there. Their 2nd child, ELIZA JANE KIRBY, is our ancestor.

8. ELIZA JANE KIRBY, 2nd child of JOHN C. & CAROLINE (BEAL) KIRBY, born 8 May 1849 in Warren Co OH, married 15 Feb 1870 in Warren Co. to WILLIAM BENJAMIN LINDER, b 14 Apr 1850 in Auglaize Co OH, son of JOSEPH LINDER & LEAH HAREOFF. After the death of his father, W.B.LINDER, at age 10 years, went to Warren Co. as a farm hand on the Deardoff farm. After his marriage to ELIZA JANE KIRBY, they bought a farm, where he introducted the cultivation of tobacco into Warren County. At the end of 6 years the farm was paid off, and they sold out and moved to Darke Co., OH, where he again introduced tobacco to that county. He worked in the tobacco industry all his life. W.B.LINDER & ELIZA JANE KIRBY were parents of 8 children. WILLIAM B. died 13 Apr 1922 and ELIZA JANE died 22 Oct 1933. Both are buried in Teegarden Cemetery, Darke County. Their 4th child, WILLIAM HARRISON LINDER, was my father.

9. WILLIAM HARRISON LINDER, born 22 Apr 1877 in Darke Co OH, the 4th child of WILLIAM B. & ELIZA JANE LINDER, married 17 Mar 1908 in Darke Co. to MOLLIE ETHEL COOK, born 8 June 1887 in Darke Co., daughter of JOHN COOK & ANGELINE PUTERBAUGH. They were the parents of 10 children, all born in Darke County. W.H.LINDER died 20 Jan 1955 and MOLLIE E. died 5 Aug 1983, at the age of 96 years. Both are buried in the Greenville City Cemetery, Greenville, Ohio. I was their 4th child.

10. WILBUR LINDER, of the 10th generation of the Kirby family in America, born 25 May 1914 in Darke Co OH. Married 17 Dec 1938 to GERALDINE GOOD, born 1 Mar 1920, daughter of WILLIAM HERBERT GOOD & MARY GETTINGER. We are the parents of three children.

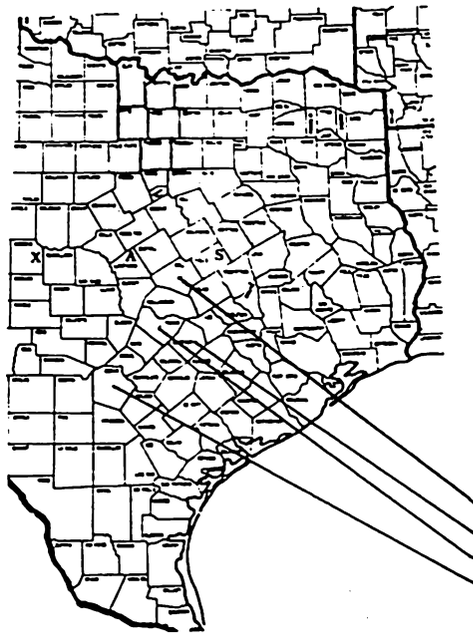
OHIOANS IN TEXAS, 1860

Julie Overton

ABSTRACTOR'S NOTES: These Ohio natives appear to have come in small family groups, with many single people. Looking at the states the children were born in, and when, it appears these people came from Ohio to Texas via Indiana, Illinois, Missouri, and Arkansas. I would surmise their route would have been down the Ohio River to the Mississippi River, down to the Gulf of Mexico, and then across the Gulf to Texas and points inland. The railroads were just getting established, so some may have used that relatively new mode of transportation.



Time-wise, it would appear that, with one exception, all of these Ohio-related families came well after peace had been established in Texas.

The siege of the Alamo (now in downtown San Antonio) had initiated the Republic of Texas. The new Republic however petitioned to become a part of the U.S. very soon afterwards, but statehood was not granted until Dec. 29, 1845. The War with Mexico started that very day, and in 1848, Mexico admitted defeat.

Not as many Northerners fought in that war because they didn't like Texas being a slave state.

Approach your own research by putting your relatives into historical perspective - you may find additional, unexpected angles that way!

1 BELL Co. (organized in 1850)
2 BASTROP Co. (Organized in 1836)
AUSTIN (Travis Co.) the capitol

THE LEWIS FAMILY IN CHANCERY

Ruth A. Lewis*

Proof that William Lewis (1772-1829)[1] buried at Old Wayne Church Cemetery, Lucerne, Knox County, Ohio is the father of John Lewis (1805-1879)[2] buried at Owl Creek Harmony Primitive Baptist Church Cemetery, Morrow County, Ohio and the grandfather of the Lewis brothers John Barton, William, Thomas Singrey, Isaac Newton and Byram is now at hand.

The clue that led to the search of records at Knox County courthouse was found in Baskin's Morrow County History[3] in the biography of Barton Lewis, oldest son of John Lewis. John, after the death of his father, "before a sufficient title had been secured, "had to give up his land, moving to the farm of his father-in-law John Ackerman for "about one year."

The record of the litigation over the estate of John's father William is in Knox County courthouse, Mt. Vernon. This was found in an old leather-bound book of chancery court records stored on the top floor. You may now read the complete record on microfilm at the OGS library.

William Lewis's widow, Lydia Dunham Lewis, his second wife, not being mentioned in his Will, sues for her dower rights.[4] William and Lydia were married May 18, 1826.[5]

Chancery Index No. 2 reads: "20A Lewis vs Sweatland and others 316." The defendants are listed on page 316: "Decrees in Chancery October 7, 1831, Lydia Lewis vs Giles Sweatland and Sarah his wife, Byram Leonard and Abigail his wife, Jacob Dalrymple and Phebe his wife, John Lewis, Elizabeth Lewis and Elipha Lewis." The defendants are also listed on page 318: Giles Sweatland and Sarah his wife late Sarah Lewis Byram Leonard and Abigail his wife late Abigail Lewis Jacob Dalrymple and Phebe his wife late Phebe Lewis John Lewis James Lewis Elizabeth Lewis and Elipha Lewis." Byram Leonard and James Lewis are named executors of the estate. The suit resulted in Lydia's being restored her dower rights and the consequent loss of John's property.

So the list of William Lewis's children is as follows: sons James, John, Elipha and daughters Sarah, Abigail, Phebe,

Elizabeth. The Knox County 1820 Census[6] shows the family: one male under 10 years of age would be Elipha; two males 10-16 group would be James and John; one male in age 45 and over group would be father William. In the female grouping, under age 10, one female would be Elizabeth; three females 16-26 group would be Sarah, Abigail, Phebe; one female in the 26-45 Group would be his wife Rhoda.[7] William being born in 1772 and Rhoda in 1778[8] puts them in different age groups.

The line of Richard Selkirk Lewis is from William's son John. Proof that this John Lewis is William's son is shown in Abigail Lewis Leonard's Will.[9] She bequeaths twenty dollars to "my brother John's son Byram." Byram is the youngest of the five brothers.

Byram and his brothers are listed in the 1850 Census of Morrow County.[10]

John Lewis	age 44	born Pa	farmer	
Mary "	39	"		
John B "	19	"	[Barton][11]	
William "	17	Ohio		
Thomas[12] "	15	"		
I. Newton "	11	"		
Byram "	5	"		
Amy Aker [man]	74	NJ		

Hopefully, the proof shown here opens up possibilities for new members of FIRST FAMILIES OF OHIO!

FIRE IN COLUMBIANA COUNTY COURT HOUSE

On Monday August 15, 1988, a fire occurred in the Columbiana County Court House in Lisbon, which caused extensive damage in the AUDITOR's office. According to news reports, the fire was contained in that office and did not damage other materials. They reported that some current tax records may have been lost, but they may have been on computer.

Information about this fire is provided to prevent MISinformation concerning the extent of damage from circulating in the genealogical community...and to prevent the fire being used as an excuse for not providing records.

There was another fire, on Friday the 13th of August 1976, which totally consumed an annex building where many records were stored by various offices, including Probate Court, the Clerk of Courts, the Recorder, and the Auditor. Some genealogically important records were lost at that time, including all of the early tax records, volumes of chancery records, and original case files from the Court of Common Pleas. The records most used by genealogists, such as wills, estates, marriages, births, deaths and deeds, were **NOT** lost in that fire.
